Legal obligations – LCG and MC

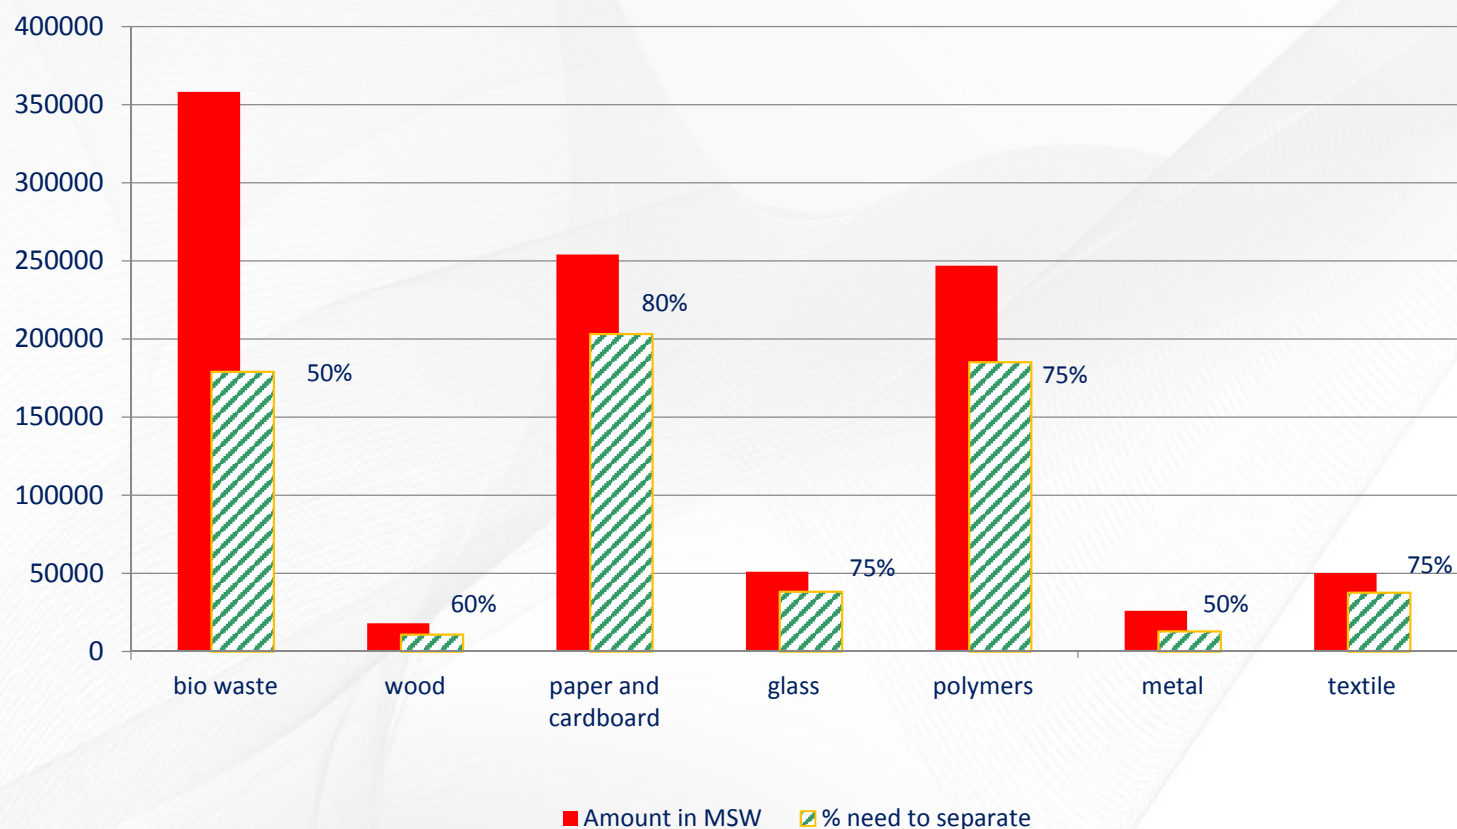

Local self-government (LSG) units have the obligation to

- organise collection of MSW
- ensure separate collection of waste paper, metal, glass, plastic, textile, bulky MW, biodegradable MW
- prevent the discarding of waste in non-compliant manner

And LSG usually organise the MSW system through WM municipal company (operator). Additionally operator has to

- ensure appropriate device for mass measurement and vehicle identification on the landfill
- report on quantities of biodegradable waste deposited on the landfills and waste deposited in the non-compliant landfills
- comply with the quantities of waste specified in the Minister decision
- organize recycling yards according to the law
